Chant Tiered Chandelier

By Lee Broom

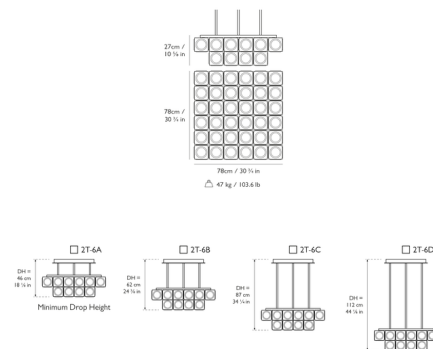

Description

The Chant Tiered Chandelier is inspired by the pressed glass bricks often used in mid-century places of worship as a substitute for stained glass. The fixture consists of illuminated glass cubes arranged in a square pattern. Each cube features a pronounced circular detail that adds a touch of texture to the design. Includes a square ceiling canopy in Satin White finish. Note: Due to the weight of the fixture, additional ceiling support is required.
