Twist Smart Ceiling Fan with Light By Minka Aire

Description

The Twist Smart Ceiling Fan with Light combines a petite round body with tapered blades, offering a sleek contemporary look. Equipped with a powerful yet energy-efficient DC motor and integrated LED light, it creates a pleasant environment with fresh air and illumination. A hand-held remote control with wall holder (RC1000) is included, enabling motor on/off, 6 speeds, forward and reverse, and light on/off with full range dimming. The Twist can also be controlled using the Bond Home app on your smartphone or other device, or it can be voicecontrolled by integrating with smart home systems including Amazon Echo/Alexa, Google Home, Nest and ecobee. Optional accessories are sold separately.
