Kelvyn Ceiling Fan with Color Select Light

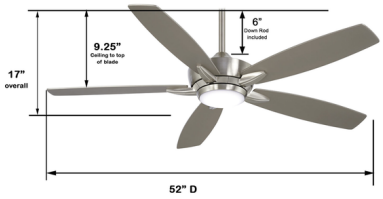

By Minka Aire

Description

The Kelvyn Ceiling Fan with Color Select combines a fan with an integrated LED light for a bright, comfortable indoor space. Lighting color temperature (CCT) can be adjusted to suit your changing needs throughout the day, from a fresh cool temperature for work to a softer, warmer light for evening relaxation. The included hand-held remote control with wall holder (RCS213) enables motor on/off, 3 speeds, light on/off, full range dimming, and CCT selection (3000K, 3500K, or 4000K). Fan direction can be reversed using a switch inside the motor housing. Optional accessories are sold separately.

Shown in brushed nickel / silver
