Culver Arc Floor Lamp

By Nova of California

Description

Inspired by a vintage lamp shade featured in the historic Culver Hotel, the Culver Arc Floor Lamp conveys a classic mid-century modern vibe. The mix of matte black and weathered brass finishing update the classic shade shape for a more modern style. The arms of this black arc lamp can be arranged to position the light where needed as the arc arms curve gently over sectionals and sofas. The sturdy marble base can be positioned under furniture if needed. Dimmer switch on column.
