Palm Springs Arc Floor Lamp

By Nova of California

Description

The Palm Springs Arc Floor Lamp is a quintessential mid-century classic. The modern shade features multiple tiers in an ombre arrangement and the arc in a modern gunmetal finish with sturdy marble base. The multiple tiers allow the light to bounce off the bright white underside of the shade. Stylish and sophisticated, the Palm Springs Arc Lamp elevates any room to the warmth and spirit of Palm Springs itself. Dimmer switch on column.
