Luna Bella Accent Table Lamp

By Nova of California

Description

The Luna Bella Accent Table lamp was inspired by a mid-century modern design NOVA created in the 1960s. The glamorous and sculpted silhouette adds a romantic feeling to any side table, desk or nightstand, or place it on a desk or windowsill as an accent piece. The black sculptural shade with a hand-applied gold leaf finish and marble base will create an elegant statement. The silver-tipped bulb is included and adds a mid-century appeal. Switch it on to fill the room with light or dim it down to set a calming mood. Dimmer switch on cord.
