Voxel Outdoor Side Table By Vondom

## Description

Designed by famed designer Karim Rashid, the Vondom Voxel Side Table adds personality to any space it occupies. Built from 100% recycled, strong polypropylene and reinforced with fiber glass, this side table is sturdy and oh so stylish. Suitable for indoor and outdoor use, this side table is a viable complimentary furniture option for a living room, basement, porch or patio setting. Stackable.

Shown in white
