ECO 1IN New Construction IC Housing By CSL

Description

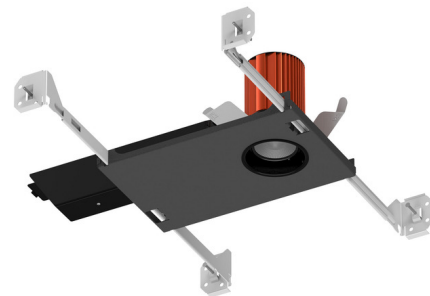

The ECO 1 Inch New Construction Housing is IC rated and fits into drywall and T-bar grid ceilings. Features a 120/277V Universal driver offering 1%-100% TRIAC/ELV/0-10V dimming and delivering up to 899 lumens. Available in three color temperature options. ECO 1 includes a fixed 50 degree optic for general task and accent lighting with minimal glare. Insert up to two lenses for additional light control, sold separately. ECO 1 pairs with a variety of trim styles and colors (round and square, with flange and flangeless) for a clean ceiling aesthetic. Rated for wet locations when used with a wet location trim. Note: A complete fixture requires a housing, trim, (and mud-in plate for flangeless), sold separately.
