Bohemian 72 Lounge Chair

By Gubi

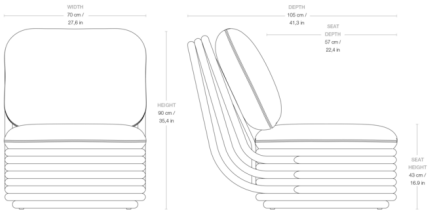

CONTRACT GRADE

Description

The Bohemian 72 Lounge Chair was conceived by designer Gabriella Crespi as a means to unite indoor and outdoor living with a versatile piece at home in either environment. The chair's rattan frame features a stacked base and curved back with upholstered back and seat cushions for a casual but refined style that embodies the mid-century jet-set aesthetic. While the chair was originally produced only for private clients, Gubi celebrates the 50th anniversary of this iconic design by bringing it into general production. Note: All upholstery options, besides Lupo Diagonal Boucle 7, are suitable for outdoor use.
