DESCRIPTION

The Bohemian 72 Sofa was conceived by designer Gabriella Crespi as a means to unite indoor and outdoor living with a versatile piece at home in either environment. The sofa's rattan frame features a stacked base and curved back with upholstered back and seat cushions for a casual but refined style that embodies the mid-century jet-set aesthetic. While the sofa was originally produced only for private clients, Gubi celebrates the 50th anniversary of this iconic design by bringing it into general production.
