Christmas Tree Lamp

By Lladro

Description

The Christmas Tree Lamp adds a smooth beauty to your space. The fir tree is one of the most universal symbols of Winter and Christmas. The tree has a LED module integrated in the base with a power of 1.3 watts, whose intensity adjustable through the module's touch switch. Features approximately 7 hours of life with a charge time of 4 hours from the included USB cable. After this initial charge, the cable should be removed and it will run on battery power.
