Caribe Vis a Vis Bench

By Ames

Description

The charming Caribe Vis a Vis Bench is an extraordinary design for seating arrangements inside and outdoors. It's part of the Caribe collection, designed by Sebastian Herkner for Ames. The German designer visited Colombia together with Ames founder Ana Maria Calderon-Kayser and translated the vibrancy and spirit of the country's people and traditions into joyful, modern furniture pieces defined by clean lines, strong colors and the hand-woven webbing. Bench features either black or curry yellow frame legs.
