DESCRIPTION

The elegant Caribe Dining Table is an elegant design for in and outdoor seating arrangements, featuring a base with hard wearing PVC strings and a metal table top. It's part of the Caribe collection, designed by Sebastian Herkner for Ames. The German designer visited Colombia together with Ames founder Ana Maria Calderon-Kayser and translated the vibrancy and spirit of the country's people and traditions into joyful, modern furniture pieces defined by clean lines, strong colors and the hand-woven webbing.
