## Caribe Chic Marble Dining Table

By Ames

### Description

The Caribe Chic Marble Dining Table is an elegant design by Sebastian Herkner and can be used inside and outdoors. It's part of the Caribe Chic collection, featuring an intricate hand-woven webbing in earthy, muted shades. The table top comes in three different types of fine Italian marble. All Caribe Chic pieces and colors are inspired by the incredible nature of the Colombian Huila region where the serene Tatacoa desert meets the powerful Rio Magdalena.

Shown in moss green copper finish / cream marble top
