Cartagenas Reina Chair

By Ames

Description

A new dramatic statement piece joins the Cartagenas collection by Sebastian Herkner: the Cartagenas Reina Chair, featuring a strong color contrast and an oval-shaped, protective roof, the chair brings vibrancy and a touch of eccentricity to any outdoor space. Part throne, part beach chair, the piece will stand out on any poolside terrace, balcony or in the garden. This collection is an ode to Cartagena, the lively coastal metropolis on Colombia's Caribbean coastal melting-pot, where Colombia's diverse ethnic communities live side-by-side, creating a city landscape where various cultural backgrounds merge with each other. The chair's name, Reina (Spanish for 'queen'), is another tribute to the city of Cartagena.
