## Cartagenas Reina Cocoon Chair By Ames

## Description

A new dramatic statement piece joins the Cartagenas collection by Sebastian Herkner: the Cartagena Reina Cocoon Chair, featuring a strong color contrast and an oval-shaped, protective roof, and vibrancy and eccentricity to your outdoor space. Part throne, part beach chair, the piece will stand out on any poolside terrace, balcony or in the garden. This collection is an ode to Cartagena, the lively coastal metropolis on Colombia's Caribbean coas90tic melting-pot, where Colombia's diverse ethnic communities live sideby-side, creating a city landscape where various cultural backgrounds merge with each other. The chair's name, Reina (Spanish for 'queen'), is another tribute to the city of Cartagena.

Shown in pastel blue / camo green / turquoise
