## Cartagenas Metal Dining Table

By Ames

### Description

A feast for the eyes serves Ames with the new Cartagenas Metal Dining Table, designed by Sebastian Herkner, the table's intricate webbing in strong colors matches the existing dining chairs of the series. Its obround tabletop is made from sleek metal, balancing out the vivid colors of the base. This collection is an ode to Cartagena, the lively coastal metropolis on Colombia's Caribbean coast. When walking through its streets and alleyways, new colors, patterns, and perspectives await behind every corner just like these pieces reveal a new side from every angle
