Cielo Stacking Chair

By Ames

Description

The Cielo Stacking Chair is a light, versatile and comfortable design by Sebastian Herkner. It's ready for indoor and outdoor use and a great choice to create inspired seating arrangements on a terrace or in the living room or can also add personality to dining areas of restaurants or hotels. The colors and look are inspired by Sebastian's visits to Colombia where he not only immersed himself in the culture and beauty of the country, but also met the local Ames artisans and learned about their traditional weaving techniques.
