Cielo Barstool

By Ames

Description

The Cielo Bar Stool is a light and versatile design by Sebastian Herkner. It's ready for indoor and outdoor use and will spruce up bar counters at home or in hospitality spaces. The stackable chair can also add personality to dining areas of restaurants or hotels. The colors and look are inspired by Sebastian's visits to Colombia. There, he not only immersed himself in the culture and beauty of the country, but also met the local Ames artisans and learned about their traditional weaving techniques.
