Cielo Lounge Chair

By Ames

Description

The Cielo Lounge Chair is a light, versatile and comfortable design by Sebastian Herkner. It's ready for indoor and outdoor use and a great choice to create inspired seating areas on a terrace or in the living room. Available in various color combinations, the stackable chair can also add personality to lobbies and lounges of restaurants and hotels. The colors and look are inspired by Sebastian's visits to Colombia. There, he not only immersed himself in the culture and beauty of the country, but also met the local Ames artisans and learned about their traditional weaving techniques.
