Cielo Foot Stool By Ames

## Description

The Cielo Foot Stool is the perfect companion to the Cielo Lounge Chair from the same collection, which is designed by Sebastian Herkner. Perfect for resting your legs and relaxing in the sun, the stool can match all color combinations of the daybed combination. The Cielo collection is inspired by Sebastian's visits to Colombia. There, he not only immersed himself in the culture and beauty of the country, but also met the local Ames artisans and learned about their traditional weaving techniques. Note: Chair not included.
