Roman Wall Clock

By Arne Jacobsen

Description

In 1942, Arne Jacobsen crafted the timeless Roman Clock for Aarhus Town Hall, simultaneously creating a design classic for domestic spaces. Offered in four sizes, the rendition remains true to Arne Jacobsen's original drawings. The clock's case, elegantly cradling the concave glass front, imparts an illusion of suspended grace on the wall. An exceptional choice for commemorating weddings, anniversaries, birthdays, graduations, and various other noteworthy moments.
