4IN Square Color-Select Slim Recessed Panel Light By Beach Lighting

Description

The Square 4 Inch LED Slim Recessed Panel Light features a low profile design that is perfect for remodel applications. Spring clips allow for easy installation with no existing recessed housing or junction box required. The edge-lit LED panel produces high quality light with no glare or dark spots, and the color temperature can be set to 2700K, 3000K, or 4000K color temperature before installation via a switch on the remote driver. Dimmable to 10% with TRIAC dimmer (120V only). I.C. rated for direct contact with insulation.
