Amphora Outdoor Hardwired Floor Lamp

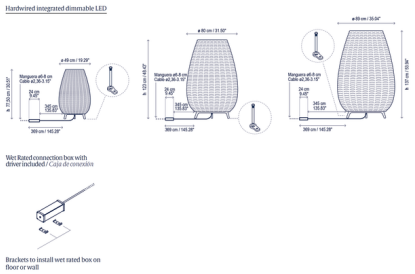

By Bover

Description

The Amphora Outdoor Hardwired Floor Lamp features a handwoven shade that is a subtle, tasteful tribute to the terracotta amphora vases used in gardens and terraces throughout the Mediterranean. The shade, made of recyclable, non-toxic synthetic polyethylene fiber, is combined with a UV-resistant polyethylene globe diffuser for a waterproof design that makes this the perfect lighting source for outdoor areas. This versatile lamp can be placed indoors or outdoors to provide a warm, ambient glow that highlights any occasion. This lamp is hardwired and includes a wet-rated connection box with driver. Available in three heights: 30.51 inches (Amphora 01), 48.43 inches (Amphora 02) and 53.94 inches (Amphora 03).

Shown in brown / rattan brown
