Invisible Wall Light

By LedsC4

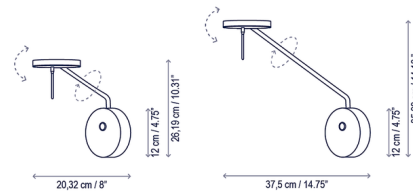

Description

The Invisible Wall Light is a versatile, stylish lighting solution for your home or office space. The tinted diffuser creates a warm, inviting glow, and a touch dimmer is conveniently located on the backplate. The adjustable head and arm allow tailoring the light direction to your needs. Available in two depths: 8 inches (model A/02) and 14.75 inches (A/01).

Shown in matte black
