Mediterrania Outdoor Pendant

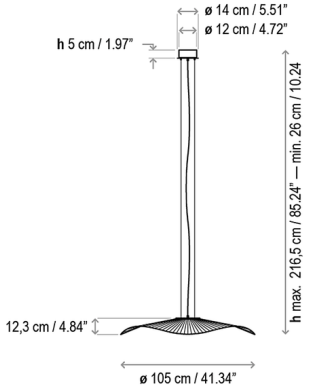

By Bover

Description

The Mediterrania S/105 Outdoor Pendant is an ode to the bright, warm beams that shine across the Mediterranean. Its gentle waves are handwoven out of recyclable, non-toxic synthetic polyethylene fiber and the integrated LED is protected by a polycarbonate diffuser to withstand outdoor conditions. This light is perfect for patios or other exterior spaces, and works just as well in interior spaces to create a relaxing ambiance.

Shown in black / brown synthetic fiber
