Bogota Pendant By Contardi

Description

The Bogota Pendant features a light, elegant expression inspired by mid-century modern, South American designs. The oval, black lacquer frame houses a flat panel LED set behind either white cotton fabric with a Calacatta marble print or a Vienna Straw octagonal weave. The Vienna Straw offers a distinctly retro appearance with a warm, natural material, while the marble-print fabric presents a more contemporary option. The pendant is supported by field-adjustable cable and a white rectangular canopy.
