

**BRAND**

Contardi

**DESCRIPTION**

The Fly Ap Vela Wall Sconce features a sleek silhouette with a bold presence. A slim light bar houses two LED light strips that provide both direct and indirect lighting. The front of the sconce is covered with a fabric diffuser to shield the light source and reduce glare. The light bar can be angled 300 degrees to direct light from side to side. Fly's distinctive shape serves as a luminous sculpture, especially in groups of multiple fixtures. Phase cut/TRIAC dimmable. Note: Includes 4.9 inch square junction box cover.

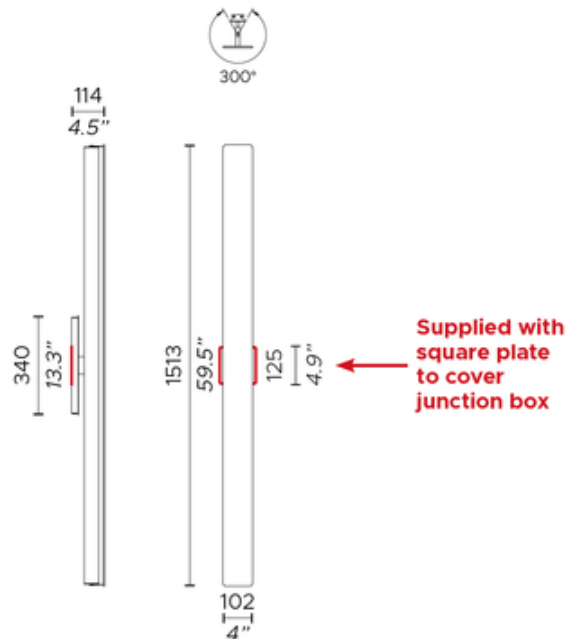

Shown in: Satin Golden Nickel / White Cotton
