Lucifer Lighting

DESCRIPTION

Provide accent lighting and highlight artwork, architectural details, and more with the CTM1 LED 120V Track Head. Designed for use with the TCS 120V Track system by Lucifer Lighting, the CTM1 Track Head is versatile and easy to adjust in-field. The track head can be rotated 370 degrees and tilted up to 60 degrees to direct light exactly where it is needed. A classic silhouette and powdercoat finish allow the CTM1 to seamlessly blend in to any space. May be used with Lucifer surface mount or recessed track. Required tracks and connectors are sold separately. Dimmable with ELV / Triac dimmers.

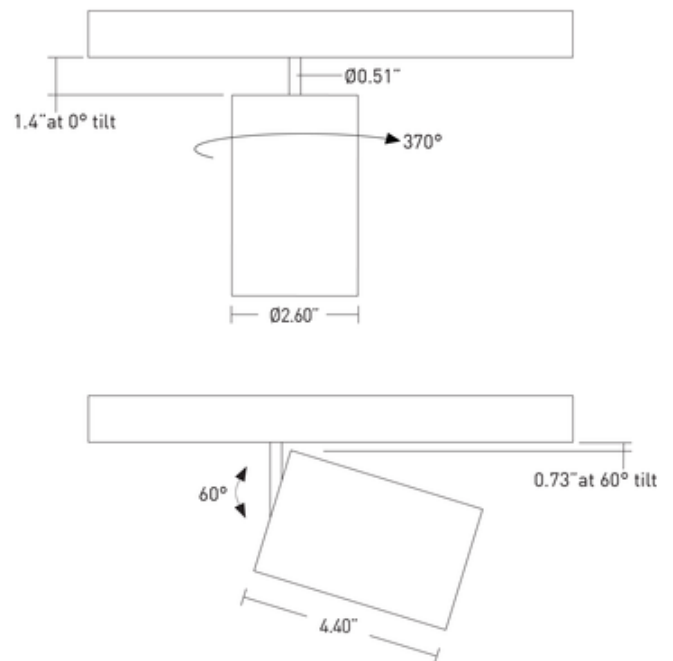

Shown in: White Powdercoat / Black Baffle
