Rara Avis Side Table

By Nomon

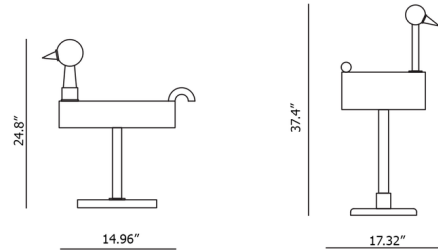

Description

The Rara Avis Side Table is the result of a dialogue between art and design. It was designed by the Spanish Design Studio Mermelada, and it is hand crafted in Spain by master cabinetmakers who specialize in the production of art pieces. These tables are created from the assembly of basic geometric shapes, combining a body in natural walnut veneered wood with a rosso levanto brown marble base, resulting in a beautiful sculptural bird piece.
