OKT Lighting

DESCRIPTION

The Copa 3 Inch Round Adjustable Downlight for new construction is a high-performance, cost-effective lighting solution for residential and commercial applications. It features a low profile and small aperture style that work well in many design settings, and installation is easy. Its heat sink structure ensures excellent thermal management and it has a white powder coat finish, ensuring long life. The adjustable light can tilt up to 25 degrees for setting light direction. LED light engine/driver and optic, IC housing for new construction, and trim are included. 120V: TRIAC dimmable. 120-277V: 0-10V dimmable.

Shown in: White
