

BRAND

OKT Lighting

DESCRIPTION

The CES Color/Wattage-Select Light Engine offers high-performance LED illumination suitable for commercial and public spaces. When combined with the reflector trim (sold separately), it can be used in remodel applications, or the optional new construction housing can be added for use in new construction applications. A remote driver is included. Color temperature (CCT) can be set to 3000K, 3500K, or 4000K. Wattage can be set to 18W, 27W, or 40W. Note: The reflector trim pictured is not included. A complete fixture requires a light engine and a 6, 8 or 10 inch reflector trim, sold separately.
