DESCRIPTION

The Pencil Cordless Linear Suspension offers versatility and portability with a rechargeable battery and LED light source with integrated 4-step dimmer. A button on the side of the fixture allows the color temperature to be cycled between 2700K, 3350K, and 4000K and the light output to 6%, 30%, 60%, or 100% intensity. The fixture is supported by a pair of brackets with airline cable (screws/drywall anchors not included). As the lamp does not require hardwiring, it can be easily moved and remounted to fit any situation. 8 hour battery life at full intensity. Includes charging cord. Suitable for outdoor use.
