

BRAND

Beach Lighting

DESCRIPTION

The 4IN Round Recessed Retrofit / Flush Mount Ceiling Light features a flat panel LED downlight within a slim, low-profile housing. The fixture may be mounted to a standard 4 inch junction box as a flush mount ceiling light, or installed to an existing recessed housing as a retrofit kit. A set of wings and E26 adapter are included for 4 inch line voltage housings. Note: A Matte White round trim is included. Trims in other finishes and shapes and new construction mounting plate sold separately.

Shown in: Matte White
