Bowery 3 Arm Floor Lamp

By Adesso

Description

Playing with scale and space, the Bowery 3 Arm Arc Lamp gracefully extends over a sectional or sofa to stylishly illuminate your room. Crafted of metal with an elegant finish, the lamp features three slim adjustable branching arms at various heights extending from a narrow central pole for a sleek, minimalist design with a natural woven drum shade. For highly versatile lighting options, each arm can be pivoted around the pole to best accommodate the space and all three lampshades can be adjusted and redirected to focus the light wherever it's needed. A rotary switch located on the pole controls the light at four settings: 1 light on, 2 lights on, 3 lights on, or off.
