Wentworth Floor Lamp

By Adesso

Description

Four is better than one! The Wentworth Floor Lamp's modern, asymmetrical four-arm silhouette blends contemporary design with mid-century modern materials to illuminate your space in style. The lamp features a simple round base in antique brass or black finish supporting four matching thin stems that gradually fan out from the base. Topping the stems at varying heights are four textured fabric shades to throw a soft glow. On/off foot step switch.

Shown in black / light brown
