Cove Floor Lamp

By Adesso Corp.

Description

Featuring a blend of natural and modern elements and style lines, the Cove Floor Lamp adds a distinctive look to any room featuring a compact footprint that makes for a perfect lighting choice for smaller spaces. The round base and matching thin stem complement mid-century modern decor. Topped off with a hood-shaped shade fashioned of natural rattan material for a unique look. The base of the shade includes an articulation point, allowing you to rotate the shade up or down and side to side to direct the light wherever it's needed. On/off rotary switch on stem.
