Cove Tree Floor Lamp

By Adesso Corp.

Description

Featuring a blend of natural and contemporary elements and style lines, the Cove 2 Light Floor Lamp adds a distinctive look to any room featuring a compact footprint that makes for a perfect lighting choice for smaller spaces. The round black metal base and matching thin stem complement contemporary or modern chic decor. Topped off in staggered heights are hood-shaped shades fashioned of natural rattan material for a unique look. The base of both shades includes an articulation point, allowing you to rotate the shades up or down and side to side to direct the light wherever it's needed. On/off rotary switch on pole.
