Elmore Desk Lamp w/ Smart Switch

By Adesso

Description

Elegant and modern, the Elmore Desk Lamp adds contemporary, functional style to your workspace. The walnut wood accent brings warmth to the black metal construction, while the blend of geometric patterns creates visual interest. The shade can be adjusted and redirected to focus the light wherever it's needed and also features an integrated 8W LED light that is economical and eco-friendly. Operated by a smart switch built into the stem, the Elmore desk lamp provides highly versatile lighting at the touch of a finger. For optimum adjustability, the smart switch controls a full-range dimmer and 5 color temperature settings (2700K, 3300K, 3900K, 4500K, 5000K) to match the LED brightness and temperature to your activity and the time of day.

Shown in black / walnut / black
