Palmer Table Lamp

By Adesso Corp.

Description

Embrace the mixed materials trend with the contemporary style of the Palmer Table Lamp with its blend of metal and wood materials and contrasting black and natural finishes. Featuring clean style lines, a round black metal base supports a contrasting stem in a wood finish that transitions back to black metal. Topping the lamp is a retro-inspired lampshade that maintains the minimal aesthetic in a textured fabric shade that softly diffuses light. Operated by dual on/off pull chain switches.
