## Bradley Arc Floor Lamp w/ Smart Switch

By Adesso Corp.

### Description

With sleek style lines, rich materials, and versatile lighting options, the Bradley Arc Floor Lamp is the perfect choice to illuminate your space while enhancing contemporary and modern chic decor. Crafted of black metal with striking antique brass accents, the lamp features a slim stem leading to a sweeping arm that can be adjusted up and down and side to side to meet the needs of your space. To provide stability and add a touch of sophistication, the round base is made of black marble. The shade can be adjusted and redirected to focus the light wherever it's needed. Operated by a smart switch built into the stem, the Bradley arc lamp provides highly versatile lighting at the touch of a finger. For optimum adjustability, the smart switch controls a full-range dimmer and 5 color temperature settings (2700K, 3300K, 3900K, 4500K, 5000K) to match the LED brightness and temperature to your activity and the time of day.
