Juliana Table Lamp w/ Smart Switch

By Adesso Corp.

Description

The Juliana Table Lamp brings versatile smart lighting and singularly stylish design to any space. The lamp is crafted of antique brass with a slim and simple stem culminating in a furrowed, dome-shaped frosted glass shade that houses an integrated 12W LED light that is economical and eco-friendly. Operated by a smart switch built into the round antique brass base, the Juliana table lamp provides highly versatile lighting at the touch of a finger. For optimum adjustability, the smart switch controls a full-range dimmer and 5 color temperature settings (2700K, 3300K, 3900K, 4500K, 5000K) to match the LED brightness and temperature to your activity and the time of day.
