Roman Desk Lamp

By Adesso Corp.

Description

Featuring a blend of natural and contemporary elements and designs, the Roman Desk Lamp adds distinctive style to desks, nightstands, and end tables. The metal base and matching thin stem with brushed steel accents present clean lines to complement the cylindrical lampshade that is crafted of natural oak. A touch step dimmer switch on cord makes it easy to adjust the light between low, medium, high, and off, while the lampshade can be rotated to direct the light wherever it's needed.

Shown in black / natural wood
