Kernel Floor Lamp

By Bert Frank

Description

The Kernel Floor Lamp is defined by its clean, linear design and repetition of simple, geometric shapes. A pair of opal glass globes provide a contrasting shape to the lamp's rectangular frame and direct light both up and downwards. The bottom of the lampshade is covered by a laser cut brass diffuser, with curved slots echoing the globes' curves. On/off switch located on cord. Note: UL certification is available upon request for an additional charge. Please contact our sales team for assistance.

Shown in brass / blue
