Pennon Floor Lamp By Bert Frank

Description

The Pennon Floor Lamp is tall and slender with an elegant silhouette that will add a sophisticated touch to any interior. Pennon features a cup-shaped bone china shade surrounded by a trio of fins atop a sleek stem and three-footed base. The odd number of fins and feet is a nod to mid-century design, when many tables and lamps featured odd numbers of legs. On/off switch located on cord. Note: UL certification is available upon request for an additional charge. Please contact our sales team for assistance.
