Pennon Pendant

By Bert Frank

Description

The Pennon Pendant possesses an elegant silhouette that will add a sophisticated touch to any interior. Pennon features a cup-shaped bone china shade surrounded by a trio of fins atop. Light is directed downward from the pendant, as well as outwards to produce a warm glow through the translucent bone china. The odd number of fins is a nod to mid-century design, when many tables and lamps featured odd numbers of legs. Note: UL certification is available upon request for an additional charge.
