Pennon Table Lamp

By Bert Frank

Description

The Pennon Table Lamp possesses an elegant silhouette that will add a sophisticated touch to any interior. Pennon features a cup-shaped bone china shade surrounded by a trio of fins that extend downward to serve as feet supporting the lamp. The odd number of fins is a nod to mid-century design, when many tables and lamps featured odd numbers of legs. On/off switch located on cord. Note: UL certification is available upon request for an additional charge. Please contact our sales team for assistance.
