Revolve Pendant

By Bert Frank

Description

The Revolve Pendant is a versatile fixture with a sleek, modern aesthetic that will complement virtually any interior. The slim, spun metal pendant is accented by a polycarbonate diffuser to reduce glare and a brass reflector which directs light upward. Place a single pendant above a living room or den area, or place a row of multiple pendants over a dining table or counter. Note: UL certification is available upon request for an additional charge. Please contact our sales team for assistance.
