

BRAND Bert Frank

DESCRIPTION

The Revolve Wall Sconce is a versatile fixture with a sleek, modern aesthetic that will complement virtually any interior. The slim, spun metal lampshade is accented by a polycarbonate diffuser to reduce glare and a brass reflector which directs light upward. The swinging arm can be angled up to 90 degrees from the wall to provide lighting precisely where it is needed. Note: Includes mounting plate to cover standard 4 inch US junction box.

Shown in: Brushed Brass / Black
