Riddle Pendant

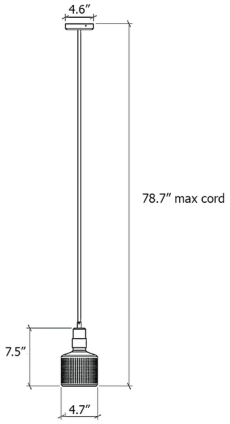

By Bert Frank

Description

The Riddle Pendant pairs a perforated, machined brass shade with an interior fabric diffuser for a sleek, industrial aesthetic that provides warm, soft light. The lampshade is cylindrical at the bottom before steeply tapering to a narrow stem. Riddle's small size makes it particularly striking when installed in a row or cluster of multiple pendants over a counter or in an entryway. Includes canopy for standard US junction box. Available in Brushed Brass with a Black or Brushed Brass accent ring.

Shown in brushed brass / black
